

**Spring TennisFest**  
HILTON HEAD ISLAND, SC

## General Information

### **Match Schedule & Practice Schedule:**

Schedules are posted at [www.springtennisfest.com](http://www.springtennisfest.com) and are subject to change so please check back each day to confirm the following days matches.

**The time listed on the schedule is your match Start Time.** Please arrive 30 minutes early in case you can take the courts early.

If yours is the FIRST match of the day at any location, you can arrive early for extended warmup.

If NOT the first match on, then you should warmup at the practice courts. We will always try, but can not guarantee that you will have team warmup time at the site.

### **Format:**

Due to time and court constraints, matches will play a 3<sup>rd</sup> set Match Tiebreak. Singles Sticks are provided at each site.

### **Balls:**

Each team should bring 5 cans of balls to each match. When possible an exhibition match can be played. See your site director for availability.

### **Match Results:**

Please be sure your site director gets the scores and posts them on the board at your match site. We will post them on the SpringTennisFest.com website nightly
